

TO TAX BICYCLES.

The Ordinance Committee Has
that Measure in View

FOR RAISING MORE REVENUE.

All Wheeled Vehicles to be Taxed—Fire
Department Committee Makes Changes
in Location of Fire Alarm Boxes—City
Board of Public Works Lets Contracts
at Prices Lower than Ever Before.
Other City Building News.

The council committee on ordinance
to have met last night, but the
warm weather seemed to be too much
for the city "dads," and no quorum
was present. The only business that
would likely have come up was a resolution
to tax bicycles, tricycles and all vehicles
not provided for in the ordinance al-
ready passed, also looking to the taxa-
tion of telegraph and telephone poles.
The resolution was presented in council
by Councilman T. G. Britt, and will be
considered by the committee at a meet-
ing to be held to-night, before the meet-
ing of council. The resolution aims to
tax all one, two, three and four horse
vehicles. In fact, everything with
wheels not already taxed.

The committee on fire department
met at the city building last night and
recommended the payment of bills
amounting to \$186.95. A notice from the
board of public works to repair the
pavement on the Eoff street side of the
Atlantic engine house was laid on the
table until the next meeting. A peti-
tion from B. E. McComb, son of the
Warwood Tool Company asking that
a fire alarm box be placed near their
factories on Twenty-eighth street
was read and received favorable con-
sideration by the committee. It was de-
cided to ask council to pass a resolu-
tion instructing the finance committee
to appropriate funds for the purchase
of four new boxes to be placed as fol-
lows: On Baltimore street, East End;
Wood and Fourteenth streets, Corru-
gation works and at Twenty-eighth
and Chapline. In case the resolution
goes through, the box at present situ-
ated at Twenty-eighth and Eoff would
be moved to Twenty-eighth and Jacob.
The contract for furnishing ice to the
department houses was awarded to
Roth & Butler at the rate of fifteen
cents per hundred. The two horses
stabled at the Eighth ward hose house
were ordered pastured.

The board of public works met in
regular session yesterday afternoon and
after going through routine business
let contracts for work during the coming
year as follows: Cutting and setting
new curbing and dressing and re-
setting old curbing, William Stobbs;
hauling of paving brick, Burns &
Calk; hauling curb stone, William
Stobbs; hauling of paving brick, Joseph
Bohrer. The figures on each con-
tract are very low, lower in fact than
any ever received for the same work.
The board received many petitions for
new work, but postponed action until
after it has heard from the various
councilmen who contemplate asking
improvements in their respective dis-
tricts.

PASSED AWAY.

Mrs. D. C. List, for Half a Century a Res-
ident of Wheeling.

Last night, at ten minutes of 10
o'clock, passed from this world to the
life beyond, Ann Elizabeth Heskell,
for fifty years the wife of D. C. List,
the well-known retired banker. Mrs.
List died in the home on North Main
street in which she has lived for forty-
eight years. Two years ago she was
stricken with paralysis, and since then
has steadily declined. She knew that
the end was approaching and left in
writing her desire as to the funeral ser-
vices. There were also kind words for
those she loved.

She was attended in her last moments
by her whole family. Her surviving
children are Mrs. Gibson Lamb, Mrs.
Gittings and Mrs. Warner, and her
sons, William A. D. Carter, and Charles.
Mrs. List was in her seventieth year.
She was born in Winchester, Va. The
late Captain Otho W. Heskell was
her half-brother. She was a woman of
unusual intelligence, of a winning gen-
tleness and warmth that drew to her
all who knew her.

Her heart went out to any soul that
sorrowed. Her charities flowed in con-
tinuous streams. To bring to others
comfort and happiness was the greatest
pleasure of her life. She was a model
of the womanly virtues which inspire
respect and win affection. Mrs. List was
long a member of the First Presbyter-
ian church.

Death of Miss Mabel Stone.
The death of Miss Mabel C. eldest
daughter of Mr. J. T. and Bessie P.
Stone, was of a peculiarly sad nature.
She was a young lady of many at-
tractive virtues that not only endeared
her to the home circle, but to a wide
circle of acquaintances and friends. Some
time ago she went on a visit to her
uncle, Mr. J. Ed. Coen, in Tennessee. Soon
after her arrival she was stricken with
the disease which terminated in her
death Sunday. She was brought home
by her uncle about two weeks ago, and
kept sinking gradually until the end
came. Her funeral will take place from
the residence of her parents, No. 125,
Virginia street, at 2:30 o'clock this after-
noon. The interment, which will be
private, will be made in Greenwood.

Death of Jacob McMillan.
At his home near Pleasant Grove, O.,
on Sunday morning, May 11, occurred
the death of Jacob McMillan, in his
thirty-eighth year. The deceased was a
lifelong member of the society of
Friends, and very fond of their prin-
ciples and testimonies. He was an honest
and upright man, and highly es-
teemed by his associates. He had been
in poor health since September last,
in March last an operation was performed.
He was born and always resided on the
same farm until his death. He was a
great reader and a lover of art and na-
ture, was fond of traveling and had
visited most of the noted places east of
the Mississippi. His last trip was to
Atlanta and other southern cities.

Miss O'Brien Dead.
Yesterday afternoon about 1 o'clock
Miss Katherine O'Brien, oldest daugh-
ter of Colonel and Mrs. Thomas O'Brien,
died at the residence of her father, cor-
ner Thirteenth and Eoff streets. Miss
O'Brien has been in delicate health for
years, but was not seriously ill until
about two months ago. Her death will
be a shock to her many friends. She
was in the thirty-ninth year of her age
and was a sweet young lady, who made
friends of all she met. The funeral will
take place at 2:30 o'clock to-morrow
morning. Requiem mass will be held
at St. Joseph's cathedral. The interment
will take place at Mt. Cavalry
cemetery.

Condensed Testimony.
Chas. B. Hood, Broker and Manufac-
turer's Agent, Columbus, Ohio, testifies
that Dr. King's New Discovery has no
equal as a Cough remedy. J. D. Brown,
prop. St. James hotel, Fort Wayne, Ind.,
testifies that he was cured of a cough
by two years' treatment caused by La
Grange, Dr. King's New Discovery.
W. J. Merrill, Baldwinville, Mass., says
that he has used and recommended it
and can never know it to fail and would
rather have it than any doctor, because
it always cures. Mrs. Hemmings, 22
St. John St., Ohio, says she has used it
and has cured her cough, because it
instantly relieves. Free Trial De-
scribed at Logan Drug Co.'s Drug Store. 8

LOCAL BRIEVITIES

Matters of Minor Moment in and About
the City.

Grand to-night—"Girolo-Girolo," by
the Gonzales Opera Company.
City council meets to-night in regular
session. Much routine business awaits
action.

The council ordinance committee
meets this evening at 7:30 o'clock, just
before council meeting.
Frank Krebs, formerly of Burns &
Church, has started in business for him-
self. His hack stand is at the Busy Bee
lunch room, on Market street.

A young lady fell on the bridge that
crosses Caldwell's run on Eoff street
Sunday night and sustained severe in-
juries. The accident was caused by a
loose board on the sidewalk, which has
been badly in need of repairs for some
time.

The only cases to appear before
his honor this morning will be John
Cotta, a drunk, run in by Walker,
Charles Gattiel, a South Side boy, for
swearing at a woman, by Shields, and
John Brannen, for fighting last Satur-
day night, by Officer Bero.

A large number of people will go to
Pittsburgh to-day, to see the production
of "Rivals," which is to be put on there to-
night. The company includes, Nat
Goodwin, Joseph Jefferson, W. H.
Crane, Mrs. John Drew, Julia Marlow-
Taber, Fannie Rice and other prominent
stars.

Captain Bennett has a rather unique
jewelry case in his office at the city
building. It is in the shape of a Swiss
cottage with a music box on the inside,
which starts to play when the lid is
raised, and acts as a sort of burglar
alarm. It was stolen from the Maxwell
mansion and Chief Bennett is holding it
in trust.

Business men of this city and oil men
who use the Ohio River railroad, are
talking of getting up a petition to the
management of the railroad company,
asking that the present schedule for
passenger trains be changed. The bur-
den of their complaint is the early hour
of departure of No. 1, which now leaves
Wheeling at 6:50 a. m. Formerly it de-
parted at 7 a. m., a very satisfactory
hour.

ABOUT PEOPLE

Strangers in the City and Wheeling
Folks Abroad.

Mrs. Nell Quinn and her two children
left yesterday for a visit to her parents
at Braddock, Pa.

Mrs. Fred Thiers, of the Island, who
has been the guest of friends at Wash-
ington, Pa., during the past week, has
returned home.

Among the Wheeling merchants for
the east were Messrs. E. B. Potts, and
Sam. Kraft, who were passengers on
yesterday afternoon's train on the Pan
Handle.

AMUSEMENTS

Attractions, Past and Present, at the
Theatres and Other Resorts.

"Fra Diavolo" was presented to an
appreciative audience at the Grand
Opera House last night by the Gon-
zales opera company, and it must be said
that it is without doubt the best of any
of the operas yet given. The "Zerlina"
of Miss Gonzales was excellent, while
James W. Smith in the title role was
about the best impersonator of that
character ever seen in the city. To-
night "Girolo-Girolo" will be given.

Mr. Rich. G. Hollaman, the manager
of the big outdoor spectacular produc-
tion, "The Battles of Our Nation," is
still in the city and is trying to arrange
for a date for his show here in the near
future at one of the summer resorts.
The attraction is one of the largest on
the road and is in connection with Sig-
nor Contorno's famous concert band. It
is to be hoped that those interested may
be successful in making arrangements
for its coming.

The Aqueduct Races.

NEW YORK, May 11.—The features
of get-away day at Aqueduct to-day
were the head and head driving finish
of Hamilton and Doggett in the second
race, in which Hamilton landed Spark-
ler, a winner after a good deal of urging
with whip and spur, and Hamilton's
careless riding on Eclipse in the third.
In the third race Eclipse started on the
outside of the track with the others
close to the rail. As they swung around
the first turn Hamilton tried to take
the lead and succeeded in bumping into
Clarus and Royal H. so hard that they
threw Villahoe and Hilley, who escaped
with slight bruises. The stewards
cautioned Hamilton for his reckless
work.

DEATH ON THE RAIL.

Patrick Ryan, a Pan-Handle Track
Walker, Killed at Benwood.

Patrick Ryan, a Pan Handle track
walker, met death in a horrible manner
yesterday. Part of Ryan's work is to
attend to the switch lights and he was
employed with his duties when the acci-
dent took place. He was riding on the
cinder dinky from the Riverside steel
plant down to the Benwood station
when passing the blast furnace, he was
knocked off by an exhaust pipe which
is close to the track. The engine and
several cars ran over him. He was
picked up by the men employed at the
Riverside, and taken to the Emergency
hospital, where everything was done
possible for his recovery by the hospital
physicians and attendants. But it was
useless, for in a few moments it was
seen that he could not recover from
the shock, and Father McInemine be-
ing absent, Father Worley, of Bellaire,
was sent for, who arrived before his
death. The injuries received included
a broken limb, mangled shoulder and a
fractured skull, also several cuts over
the head and body. Death resulted
from concussion of the brain. He lived
about an hour and a half. Shortly after
death he was taken to the undertaker's
establishment, where an inquest was
held by Coroner Riddle. Ryan was
about sixty years of age and was a
very industrious man and well liked
by all who knew him. He resided with
his family at Twenty-fourth and
Jacob streets, and leaves a wife and
one child.

Scrofula

Infests the blood of humanity. It
appears in varied forms, but is forced
to yield to Hood's Sarsaparilla, which
purifies and vitalizes the blood and
cures all such diseases. Read this:
"In September, 1894, I made a misstep and
injured my ankle. Very soon afterwards,

A Sore

two inches across formed and in walking
to favor it I sprained my ankle. The sore
became worse; I could not put my boot
on and I thought I should have to give up
at every step. I could not get any relief
and had to stop work. I read of a cure of
a similar case by Hood's Sarsaparilla and
concluded to try it. Before I had taken
all of two bottles the sore had healed and
the swelling had gone down. My

Foot

is now well and I have been greatly ben-
efited otherwise. I have increased in
weight and am in better health. I cannot
say enough in praise of Hood's Sarsapa-
rilla." Mrs. H. BLAKE, So. Berwick, Me.

ST. VITUS DANCE.

A Physician Prescribes Dr. Miles'
Restorative Nervine.

Dr. Miles Medical Co., Elkhart, Ind.:
My daughter Mattie, aged 14, was afflicted
last spring with St. Vitus dance and ner-
vousness, her entire right side was numb
and nearly paralyzed. We consulted a phy-

sician and he prescribed Dr. Miles' Restora-
tive Nervine. She took three bottles before
we saw any certain signs of improvement,
but after that she began to improve very
fast and I now think she is entirely cured.
She has taken nine bottles of the Nervine,
but no other medicine of any kind.
